

Criminal Law CJSTC #012

This class will refresh and update the officer's basic skills and knowledge in Criminal Law, and expand these skills and knowledge into more advanced and specialized areas of Criminal Law

The course objectives are to not only share new laws and cases but to provide some basic research skills to allow the law enforcement officer to remain current.

The student will gain an increased knowledge and understanding of the various Florida crimes against property, persons, legal aspects of search and seizure, and much more.
