School Resource Officer CJSTC #090

This course prepares the SRO to fulfill their roles. The SRO will learn how to build a rapport with students, teachers, and administrators; apply search and seizure laws and other laws relating to juveniles and schools; develop an awareness of crime trends; conduct emergency management; provide campus security; conduct student counseling and mediation; and learn how to identify and use outreach resources.

There is an attendance policy and those attending will be required to pass a written exam by a minimum of 80%.

Those who successfully complete this course may be eligible for salary incentive payments or may apply this course toward satisfying their mandatory retraining requirement.

Course Topics Include:

- Legal
- Current Trends
- Security
- Communication
- Emergency Management
- Exceptional Student Education (ESE)
