## Agency Inspector Renewal CJSTC#950

Agency Inspector Renewals are required on or before the expiration date every four years. FDLE rules state: breath test operators and agency inspectors must satisfy continuing education requirements in order to maintain a valid permit. Continuing education requires successful completion of the applicable Commission-approved Renewal Course by June 30th following the fourth permit anniversary date, and during each subsequent four-year cycle. Successful completion of the Agency Inspector Renewal Course also satisfies an Agency Inspector's breath test operator continuing education requirements.

Training Centers will enter all breath test and agency inspector courses into ATMS and will maintain the original paperwork. Students will be required to pass written examination with minimum 80%; and demonstrate 100% proficiencies.
