

## Ambush Survival Tactics 2

This training is designed for uniform patrol officers and uniform specialty units. This course is a continuation of the Ambush Survival Tactics 1 course. It has been designed with realistic physical hands-on training and minimal classroom. During the two days of training students will engage in defensive tactics combating the sudden attack, as well as escape and counter moves and realistic scenario-based training. Additionally, the program includes live fire range training where students will participate in threat focused shooting, and other close quarter tactical firearms training.

**This course is a hands-on scenario-based  
(Weapon and Duty or Tac gear Required)**
