Basic Undercover Operations

This five-day course is designed for law enforcement officers who are preparing to or have been recently assigned to a narcotics or other investigative unit involving covert undercover investigations.

This comprehensive undercover investigator course will expose the student to the realities of undercover investigations and the true dangers involved.

This course will be a combination of classroom instruction and reality based scenario training.

Course Topics Include:

- Surveillances
- Agent Rescues
- Vehicle takedowns
- Search warrant tactics
- Undercover transactions
- Controlling and documentation
- Search warrant plan and preparation
- Introduction to undercover operations
