IPMBA Public Safety Cyclist for Law Enforcement

This is the 32-hour International Police Mountain Bike Association (IPMBA) certification course that prepares officers to work the street from a bicycle. This course involves a lot of outdoor activity including day and night open street rides, closed course obstacle navigation, scenarios, and basic maintenance.

Certified law enforcement bicycle unit officers, full or part time, will find this course beneficial. Basic bicycle-handling skills and a good physical condition are required for eligibility.

Students must pass the written and practical examination required for certification.

Personal Equipment Required:

Eye protection (shatter-resistant, wraparound, clear and tinted),
Bicycle helmet (ANSI, Snell, CPSP approved).
Padded cycling gloves

Course Topics Include:

- Equipment
- Cycling at night
- Hazards & crashes
- Patrol procedures
- Bicycle maintenance
- History of public safety cycling

May 23-26, 2022
