Interviews and Interrogations CJSTC#047

This course is part of the Criminal Justice Standards and Training Commission Advanced Training Program. It is one of a series of non-sequential general or specialized career skills training programs. Courses in the Advanced Training Program are designed to enhance an officer's knowledge, skills and abilities for the job he/she performs. This course was designed to cover the techniques, methods, principles and issues of interviews and interrogations for criminal Justice officers and investigators.

There is an attendance policy and those attending will be required to pass a written exam with an 80%. This course is eligible for salary incentive.

Course Topics Include:

- Legal Issues
- Preparing for an Interview
- Conducting an Interview
- Interviewing Juveniles
- Interviewing Victims of Sexual Assault
- Interview Techniques

Lead Instructor

The lead instructor is Ed Judy. Ed is a retired homicide detective with 26 years of law enforcement experience with the Pinellas County Sheriff's Office. He is a certified FDLE instructor and specializes in law enforcement investigative training. Ed Judy has participated in numerous death investigations, conducted hundreds of interviews, 35 homicides as case agent, and was case agent on numerous officer-involved shootings. He is experienced in advanced training in death investigations, interview and interrogations, and kinesic interviewing.
