Narcotics and Dangerous Drugs CJSTC #016

This course is part of the CJSTC Advanced Training Program designed to enhance an officer's knowledge, skills, and abilities for job performance. This course will provide officers with information regarding narcotics and dangerous drug investigations, an understanding of the problematic, legal, investigative, and evidentiary aspects of narcotic and dangerous drug investigations, and how they relate to money laundering.

100% attendance is required and participants must achieve a minimum score of 80% on the written exam to receive a certificate of completion.

Course Topics Include:

- Trends and Recognition
- Case Documentation
- Investigative Strategy
- Trial Preparation
- Evidence Collection and Preservation
- Investigative and interview Techniques
