Judicial Process Server - Basic

The Southeastern Public Safety Institute is pleased to offer the 40-hour training series entitled Service of Non-Enforceable Judicial Process-Basic. This program is designed for individuals seeking appointment as a special process server or certified process server pursuant to Chapter 48, Florida Statutes. This training is the result of the cooperative effort of the Sixth Judicial Circuit Court, the Pinellas County Sheriff's Office and St. Petersburg College.

There is an attendance policy and those attending will be required to pass a written exam.

Course Topics Include:

- Judicial System - Federal and State
- Statutes and Rules of Procedure
- Who May and How to Serve
- Types of Service
- Functions of the Clerk of the Court
- Judicial Perspective
- Service Scenarios
