## Tactical Operations 2

This two-day course is for law enforcement officers assigned to a narcotic, vice, tactical or street crimes unit within their agency where they will be executing search warrants or other dynamic arrest type situations. This training will take the student from scenario-based training and defensive tactics to performing the techniques during live fire exercises.

### Required Equipment:

- \* Scenario and Range attire - BDU Long pants and long sleeve shirt (t-shirt or button type tactical) and tactical shoes/boots
- \* Defensive Tactics attire – BDU long pants and t-shirt, gym shoes
- \* Duty gun belt with holster, magazine pouch, Duty weapon and 3 mag
- \* Hand held light or gun mounted light.
- \* Ballistic vest and tactical vest is separate.

### Course Topics Include:

- Defensive tactics
- Flashlight techniques
- Breaching refresher
- Low light entry/live fire
- Low light team movement
- Live fire drills/shield drills
- Low light clearing techniques
