Managing Use of Force & Investigations for Correctional Officers

This course will address some of those deficiencies with a better-quality understanding of the niceties needed in a response to resistance reports, along with enhanced courtroom testimony. This course also delves into the reason for training and documentation of response to resistance. The student will have a healthier appreciation of the investigation process from the internal affairs phase concerning the investigation standpoint and progression.

The attendees will review some of the most recent trends related to the use of force, investigation, training, and policy development.

Course Topics Include:

- Fore Continuum
- Organizational Policy
- Federal Case Law
- Human Performance
- Constitutional Standards
- Agency recruit and Instructor training
